The 8th meeting was held at Birkbeck College, Malet Street, W.C.1. (Professor J.D. Bernal's office) on Tuesday, 25th April, 1961 at 10.30 a.m.

Present: Professor J.A.V. Butler (Chairman)

Dr. J.C. Kendrew (Secretary)

Apologies for absence were received from Professor J.T. Randall and Sir Gordon Sutherland.

1. Allocation of Grant from the Wellcome Foundation to members attending the International Biophysics Congress at Stockholm.

The Following members of the Society applied for grants:-

Mr. Neil T. Crosby, Department of Leather Industries, Leeds.
Dr. P.F. Millington, Medical Biochemistry, Birmingham.
Dr. D.A.T. Dick, University Demonstrator in Human Anatomy, Oxford.
Dr. J.B. Finean, Senior Lecturer in Medical Biochemistry, Birmingham.
Mr. R.A. Reid, Research Student in Chemical Biology Unit, Edinburgh.
Mr. T.G. Merrett, Research Student in Department of Chemistry, Birmingham.
Dr. Ruth Itzhaki, Department of Radio Therapeutics, Cambridge.
Mr. P.J. Chamberlain, Research Student in Department of Zoology, Edinburgh.
Mr. G.N. Goodson, Pollards Wood Research Station.
Dr. J.B. Davenport, L. Temp. Research Unit, Cambridge.

It was decided that a grant of £25 + £6 for the Conference registration fee should be made to each of the applicants, who would, however, be asked to inform the Treasurer if their total support from all sources exceeded £55, and in that case to return the amount in excess of that figure (with the exception of Dr. Davenport who already has a grant of £50 but is attending the International Congress of Biochemistry in Moscow as well as the Stockholm Conference).

The remainder of the grant should be held in reserve for the present.
